

CODE OF CONDUCT

The Code of Conduct of the Company is based on the principles of honesty, integrity and professionalism at every stage.

Scope

The code of conduct policy is applicable to all regular and direct contract staff in the Company and its locations.

Compliance with Law and Reporting of Violations

The Company has established a Compliance Committee to provide advice concerning compliance with the code of conduct. All employees are encouraged to report any suspected violation of this Code of Conduct to their Line Managers (Functional Heads) who will report to the chief executive/chief operating officer and/or as provided under the whistle blowing policy of the company.

Compliance with the Law

The observance of the laws and regulations of the legal systems in which we operate is mandatory for all employees in their dealings with customers, suppliers, competitors, other employees, government bodies and officials.

Competition and Anti-trust Law

The Company obligates its employees for strict compliance with Competition and Anti-trust Laws wherever it operates.

Bribery and Corruption

The Company is committed to conducting its business in an open, honest and ethical manner in all the jurisdictions in which it operates and will not engage in any form of bribery or corruption in order to secure any kind of business advantage.

Money Laundering

It is the Company's policy to refrain from conducting business with persons or entities who are involved in criminal or illegal activities. All employees have to adhere to applicable anti-money laundering laws and regulations.

Product Quality

We discover, develop and manufacture high-quality products that meet all regulatory requirements, and pursue quality beyond compliance in both our products and processes. We focus on regularly updating ourselves with technological advancements to produce under the highest standards and maintain all relevant technical and professional standards.

Books, Records and Financial Reporting

The accuracy and completeness of our books, records and financial reporting is of critical importance for the Company. We fulfill all applicable legal obligations with regard to public filings and reporting.

Confidentiality

It is our policy that no employee entrusted with confidential information about the Company, its suppliers, customers or other business partners may disclose such information to any third party or use such information for his or her personal benefit while employed with the Company or thereafter, unless prior written approval is obtained from a duly authorized person or the disclosure of confidential information is required by law, any governmental agency, court or other quasi-judicial or regulatory body.

Protection and Information Security

The Company has a policy that sets out rules on data protection and the legal conditions that must be satisfied in relation to the obtaining, handling, processing, storage, transportation and destruction of personal information. We comply with all applicable laws & regulations regarding the collection, processing and use of personal data. Any illegal collection, processing or use of personal data of our employees, suppliers, customers and third parties are strictly prohibited. All personal data must be safeguarded with appropriate care and protected against unauthorized access by third parties at all times.

Handling and Safeguarding of the Company's Property

Employees must handle the Company's property (including both tangible & intangible) with due care and in a responsible manner. The Company does not tolerate any unauthorized use or misappropriation of its property or services.

Equal Treatment and Fair Working Conditions

The Company is committed to promoting equality of opportunity for all staff and job applicants. We aim to create a working environment in which all individuals are able to make best use of their skills and abilities, free from discrimination or harassment, and in which all decisions or promotions are objectively based on merit. We do not tolerate any form of discrimination, harassment or bullying in the workplace.

Health, Safety and Environmental Protection

We focus on all aspects of occupational health, safety and environmental protection. We identify and manage health, safety and environmental risks in our activities and over the entire value chain of our products and services.

We make efficient use of natural resources and minimize the environmental impact of our activities and products over their life cycle.

Conflict of Interest

Employees may not engage in any activities, on or off the job, that conflict with the Company's business interest, nor they may use their position with the Company for their personal gains, or for the improper benefit to others. As a policy, conflicts of interest or the mere appearance of such a conflict must be avoided.
