

# ENVIRONMENTAL POLICY

## VISION

To be **SECOND TO NONE** in protecting  
**OUR SHARED Environment, as EARTH MATTERS**  
for our future generation

## MISSION

Protecting our shared environment is of fundamental importance to MSM, as it is to our employees, customers, and other stakeholders.

To support this common goal, we will continually:

- Comply with applicable local and other applicable environmental regulations and strive to secure fundamental reforms that will improve their environmental effectiveness and reduce the cost of compliance
- Improve the environmental performance of our products and processes by minimizing the negative impact on the environment and adopting where practical cleaner production and recycling methods
- Protect the health and safety of our employees and the surrounding human communities and ecosystems.
- Use natural resources, including raw materials, energy, and water, as efficiently as possible.
- Follow principles of sustainable development in conducting its administrative, procurement, manufacturing, marketing and social activities
- Participate in local initiatives to improve the quality of the environment
